I declare to have been informed of the OVAM restrictions concerning the export and transport of goods as well as the list of articles prohibited for export throught the port of Antwerp. The vehicles may not be welded shut and the European custom's have the right to inspect the vehicles and their contents.

The execution of the obligatory BIVAC-control for vehicles with a value exceeding USD 2500,- remains the sole responsibility of the shipper.

By approving this document I declare all above information to be complete and correct and in case of any errors and/or mistakes the shipper remains responsible for all resulting expenses.
